Subject: Cafeteria Updates

Dear Parent/Guardian

A Note to ParentOnline.net Users

Exciting changes are here!

We are excited to introduce SchoolCafé.com, our new and improved portal to connect families to your local K-12 school nutrition. SchoolCafe (www.schoolcafe.com) is passionately developed and supported by Primero Edge, the same providers of ParentOnline - so don't worry because you're still in amazing hands! We've got the same great features (payments, alerts, etc.) that you've come to love along with some amazing new capabilities.

What about my existing ParentOnline account?

If you have an existing ParentOnline account you DO NOT need to create a new account in SchoolCafé — sign in with the same username and password that you used in ParentOnline. Also, all of your existing students, balances, cards, configurations, and settings remain the same. We wanted to make sure that your transition from ParentOnline to SchoolCafé (www.schoolcafe.com) was simple and seamless.

New added bonus!

Ocean Township is proud to offer SchoolCafé, formerly ParentOnline, a safe and secure way for parents to make online payments to their children's cafeteria accounts. Deposit a minimum of $30 and receive a 50% credit on the processing fee!

An app is now available from Google Play, App Store or Microsoft
